

PH456 Lab 1 : Random Numbers

Sourabh Choudhary

March 27, 2022

The code is available on github via this link. All code is in lab-2 folder.

- 1 Function to integrate**
- 2 Calculating given definite integrals**
- 3 Volume of an n-sphere**
- 4 9 D Integral**
- 5 Importance sampling with Metropolis Algorithm**
- 6 Uniform sampling with Metropolis Algorithm**
